

7UP-LED CYCLE

The TKO Upright 7UP-LED Cycle is built for comfort, efficiency, and durability. It features extra-wide, dual-sided pedals with adjustable straps and an optimized Q-factor to reduce knee strain and improve pedal efficiency. Ergonomic handlebars with fast-track resistance controls keep adjustments effortless, while smart console lighting stays active for quick re-engagement. Designed for easy maintenance, the electronics are accessible from the top cover, and the shroud can be removed without pulling the crank. Finished with a two-step, anti-rust powder coating, the TKO 7UP-LED Cycle is made to perform and last in high-use environments.

Model	7UP-LED CYCLE
Certification	ETL/CE/EM957
Max User Weight	350 lbs
Electrical Receptacle & Plug	No
Brake Type	300W
Resistance Brake Power	20
