The Defiant Strength Pendulum Squat Machine stands out as one of our most sought-after pieces, revered for its exceptional design and performance. Featuring a large non-skid footplate, this machine ensures proper positioning for users of all sizes and abilities, promoting safety and effectiveness during workouts. Setting itself apart from others in the industry, the Defiant Strength Pendulum Squat is uniquely counterbalanced, offering lower starting resistance compared to conventional models. With a front-pivoting handgrip, users can easily rack and un-rack weights, streamlining their training experience. Designed with a variable resistance mechanism, this machine provides an optimal strength curve, ensuring consistent and challenging workouts. Its pivoting design not only enhances smoothness but also requires minimal maintenance, guaranteeing long-term reliability and functionality. Equipped with four storage pegs, the Pendulum Squat Machine offers convenient storage for weights, promoting organization and efficiency in any gym space. Experience the pinnacle of strength training excellence with the Defiant Strength Pendulum Squat Machine—a testament to quality craftsmanship and innovation in fitness equipment.

### **AUTHORIZED RESOLUTION**

Defiant Strength's sole obligation under this warranty is the repair or replacement of defective parts or the provision of labor necessary to remedy any defect.

### **WARRANTY EXCLUSIONS AND LIMITATIONS**

Defiant Strength's factory warranty is valid only for products purchased directly from Defiant Strength or an Authorized Dealer of Defiant Strength products, with those products being paid in full. This warranty applies exclusively to the original purchaser and is non-transferable.

#### **The following conditions will void this warranty:**

- Purchase of Defiant Strength products from an unauthorized dealer, reseller, or any source not explicitly approved by Defiant Strength.
- Purchase of used or pre-owned Defiant Strength products from a private party, facility, or unauthorized source.
- Purchase of Defiant Strength products from an unauthorized internet retailer.
- Removal of any Defiant Strength branding from the equipment.
- Any outstanding invoices owed to Defiant Strength.
- Alteration or modification of Defiant Strength equipment in any way, including removing branding.

#### **Additional Limitations:**

- Defiant Strength is not liable for any special, indirect, incidental, or consequential damages related to its products, including property damage or personal injury.
- This warranty is expressly limited to the repair or replacement of defective components manufactured by Defiant Strength, at its sole discretion.
- Use of the equipment in environments with excessive temperatures or moisture may void the warranty.
- Normal wear and tear is not covered, including but not limited to cables, belts, chains, wear guards, powder coat finishes, or upholstery cuts.
- Damage caused by improper assembly, inadequate maintenance, or the installation of unauthorized components is not covered under this warranty.
- This warranty does not cover damage resulting from accidents, abuse, corrosion, improper use, neglect, theft, vandalism, fire, flood, lightning, freezing, natural disasters, collisions, or unauthorized modifications.

***Defiant Strength reserves the right to void warranties at its sole discretion under the conditions outlined above.***
