Defiant Strength's obligations under this warranty are limited to repairing or replacing any part or parts deemed defective within the warranty period. The warranty period commences on the delivery date of the product to the original purchaser. Upon return of the product to Defiant Strength, an inspection will be conducted to assess whether the product is defective in material or workmanship. If a defect is confirmed, Defiant Strength will repair or replace the necessary part(s) at no cost to the consumer. Please note that this warranty does not cover transportation costs associated with the return or repair of defective parts.

**This warranty supersedes all other warranties, whether expressed or implied, including but not limited to implied warranties of merchantability and fitness for a particular purpose. Defiant Strength shall not be liable for any incidental or consequential damages, or for delays in performance under this warranty.**

This warranty does not cover damage incurred during transit.

Furthermore, this warranty does not apply to any Defiant Strength product that has been used, repaired, or altered outside of the factory in a manner that compromises the design's intent. Products subjected to misuse, negligence, accidents, inappropriate environments, lack of normal maintenance, or use beyond their intended purpose are also excluded. Additionally, cosmetic damage, such as paint scratches, surface corrosion from normal use, and damage resulting from unsuitable detergents, cleaners, or lubricants, is not covered under this warranty.
